

*Sampling of Feedback from recent Puffin Residencies!* [www.puffin.ca](http://www.puffin.ca)

#1. "I watched Peter get our students so excited about words and writing and recording songs... about classroom subjects and topics they heartfully care about. Then to see the look of pride in their eyes as they stood up to sing their songs so enthusiastically for each other, their parents and the public. **Now that's one of the best processes of cultivating literacy and authentic learning I have ever seen!**" Principal, Peace River, AB.

#2. "Thank you for bringing such a wonderfully rich residency to our school. Thank you also for being very flexible and wonderful to work with!" The staff at Alex Munro School, Calgary, Alberta.

#3. \_ "The whole school is buzzing about your visit Peter... both of my kids have come home talking about the fun learning activities you've been doing in class!" - Parent, Lacombe, Alberta.

#4. "Thank you for all of your time and commitment to the kids of our future. By showing your creative side you have opened doors for others. A whole new world to some of students. Also thanks for coming to OUR school." Mrs K. Nelson, Galbraith School, Lethbridge, Alberta.

#5. "Our students and staff were delightfully pleased with all aspects of the residency. The classroom workshops, songs & actions, collaboration with staff, connection between fine arts and science curriculum, follow-up activities... everything was absolutely fabulous!" - St. Mary's, Edmonton

#6. "Peter left so many ready-to-use curriculum-tied activities at our school, to keep the innovative learning going, after his fantastic artist-in-residence week. Highly practical, easy-to use and the students love them! Teacher, Alberta, Canada.

#7. "I saw the impact you were having in Calgary Christian School when I dropped in for a meeting... so I inquired and was so impressed with how smoothly you guided us through the application process. Thanks for making this happen." - Principal, Lacombe Christian School.
