

Thanks for the stellar word of mouth:

♪ "Our students and staff were delightfully pleased with all aspects of the residency. The classroom workshops, songs & actions, collaboration with staff, connection between fine arts and science curriculum, follow-up activities... everything was absolutely fabulous!"

- St. Mary's, Edmonton

♪ "The whole school is buzzing about your visit Peter... both of my kids have come home talking about the fun learning activities you've been doing in class!"

- Parent, Lacombe, AB.

♪ "It was truly an amazing week for the students & staff; we all benefited from your time with us. Thanks for the fun, wonderfully charged educational experience."
