

*Peter is returning to the Atlantic! To: Superintendents, Principals, Staffs & Parent Councils:*

**Juno Award-Winner Peter Lenton, B.Ed., aka Peter Puffin's Whale Tales,**  
(avail day or eve) in your school / community! Ask us about our fundraisers!

Due to confirmed bookings in Nova Scotia (May), we'll be touring NS, NB & PEI districts in the Spring and Autumn of 2013, so we can offer a reduced cost for curriculum-tied shows... (feel free to let us know if cost is the only hurdle) We can also bring a sound system – no fuss for you! School boards often have us set up at a larger central location and schools come to us.
