

People are Talking! Tailor-made, Interactive Professional Development Events... Workshops & Keynotes! c/o Peter Lenton, BA.Honours, B.Ed.

Recent Praise... Conferences and Conventions

- 1) "... great job of relating to teachers. Many links to science, social studies and language arts curriculum. Detailed handout also very practical. My students will love his activities."
- 2) "The speaker was a passionate educator. Found his messages and approaches to be inspiring and entertaining.... a valuable experience."
- 3) "Activities were terrific - A very worthwhile session - awesome!"
- 4) "Peter is a true teacher & has inspired and showed me how to bring more music & engaging activities to my students... thank you."
- 5) "... best session I have been to in 13 years of conventions. Please come back!" *Red Deer, AB.*
- 6) "Felt so good to be a part of a relaxing session with such high participation in fun, practical activities & exhilarating group singing of curriculum-tied songs... Peter was obviously enjoying our response & other participants also wondered how we would top that time together!"
- 7) "Your hands-on workshops and musical keynote were delightful... really inspired our teachers and guided them through lots of ready-to-use activities" Hope to have you again!" *Organizers, Edmonton Pre-School Conference.*
- 8) He was awesome. Insightful, dynamic and practical. It was refreshing to see all the teachers actively involved and loving it. He is definitely worth having back! *Regional PD Day, Alberta.*

We are delighted to accept a limited number of speaking engagements from many invitations each year... so feel free to call early... even to pencil in your dates... as we are planning concert/speaking tours up to two years ahead. Hope we can help!
